HAY URBAN DISTRICT

Report of the Medical Officer of Health

1950.

Madam Chairman and Gentlemen,

I beg to submit my annual report on the sanitary conditions and the state of the public health in the Hay Urban District for the year 1950.

In the preparation of this report I have endeavoured to deal briefly with all matters within my responsibility regarding public health and preventive medicine and I have included all the subjects specifically requested by the Welsh Board of Health in Circular 112/50 (Wales).

SECTION 1. GENERAL AND VITAL STATISTICS

Statistical Summary for the year 1950.

Area.

The district of Hay is a small urban area of 370 acres forming part of the County of Breconshire. It is situated in the northern part of the County and adjoins the counties of Radnorshire and Herefordshire.

The surrounding district is agricultural in nature and farming is the predominant occupation of the surrounding residents.

POPULATION Census.1931.....1509

1940.	1941.	1942.	1943.	1944.	1945.	1946.	1947.	1948.	1949.	1950.
1386.	1556.	1409.	1450.	1420.	1344.	1345.	1361.	1398.	1407.	1455.

The above figures are the Registrar General's estimated figures for the various years. It would appear that the population had dropped considerably by 1940 from the last census figure, reached a maximum in 1941, diminished again by 1945 and is now again slowly increasing.

Hay Urban District.

The number of inhabited houses in the district is 462 giving an average number of 3.1 persons per house.

<u>BIRTHS.</u>	<u>Males.</u>	<u>Females.</u>	<u>Total.</u>	<u>Rate.</u>

Maternal Mortality. There were no deaths during the year which could be attributed to childbirth.

SECTION 2. GENERAL PROVISIONS OF HEALTH SERVICES.

Public Health Officers. The same arrangements existed during the year as in the previous year. Mr. G. G. Evans acted as your Sanitary Inspector, and was employed in a similar capacity by the Rural District of Hay and Painscastle.

Laboratory Facilities. During the year laboratory facilities were available at Hereford, Cardiff, Newport, Carmarthen, Swansea, Aberystwyth and Brecon. All water samples were sent to the Public Health Laboratory at Hereford whilst any investigation required in the control of infectious disease could be performed at the Public Health Laboratory at Cardiff and at Hereford. All the milk testing was done by the Public Health Laboratory at Hereford.

Hay Urban District.

Ambulance Facilities. As a result of the new National Health Service Act, 1946, certain changes were operative in the arrangements existing for the conveyance of sick persons in the district. The County Council were responsible for the provision of an ambulance service and made use of the existing St. John's ambulance for general use while ambulances from Merthyr Isolation Hospital conveyed patients suffering from infectious disease to hospital.

Home Nursing. Under the new Health Act, the County Council were responsible for the provision of home nursing facilities. The nurses previously partly employed by various district nursing associations were whole time employees of the County Council.

Treatment Centres and Clinics. Maternity and Child Welfare Clinics, administered by the County Council are held regularly at Wesley Hall, Oxford Road. Ante-natal clinics and facilities for the treatment of minor ailments, immunisation, dental, orthopaedic and eye defects are also available. These are also administered by the County Council.

Hospitals. The hospital needs of the residents of the district, for all diseases apart from infectious disease, are provided by Hereford Hospital and Brecon War Memorial Hospital.

Disinfection. In the main the methods used for any required disinfection have been fumigation and spraying.

SECTION 3. MATERNITY AND CHILD WELFARE.

These services are administered by the County Council and include clinics for maternity and child welfare, immunisation, dental, orthopaedic and visual defects, and expectant mothers. Provision is also made for the supply of free and cheap rate milk and medicinal foods. The supervision of midwives, child life, protection and the care of premature and illegitimate infants is also the responsibility of the County Council.

SECTION 4. SANITARY CIRCUMSTANCES.

Water Supply. The water supplies to the district are taken from mountain springs. During the year the water supply could not be regarded as adequate in quantity.

The supply was restricted to 6 ~~hours~~ ^{houses} daily from the 17th August to the 1st September, and from the 2nd September to the 8th September the water was shut off at nights. This only applied to the Hay Common supply.
